

Admiral Weaver Inn

Bed & Breakfast

Enjoy and feel at home in this sunny, authentic estate residence minutes from the Newport Mansions, picturesque beaches and Cliff Walk. Just blocks from the harborside shops and restaurants.

A neo-Italianate villa, circa 1863 with six newly remodeled rooms featuring wicker, brass and Shaker styled furnishings and a designer's touch of hand stenciling. With two decks, a covered front porch; there's enough room for those rare moments when you are not off enjoying the nearby sights and sounds of Newport.

In the morning, guests enjoy a full gourmet breakfast served in our cozy dining room or on the outside deck. Warm up in the chilly months with a fireside breakfast or snuggle into a private room with your fire.
